DISPLAY AND OUTDOOR ADVERTISING SIGNS

10.01 General Provisions

The following general provisions shall apply to display and outdoor advertising signs:

A. Nothing in this Chapter shall require the removal or discontinuance of a legally existing sign that is not altered, rebuilt, enlarged, extended, or relocated and the same shall be deemed a non-conforming use under the terms of this ordinance; provided however, the following signs shall be made to conform with the provisions of this Chapter or shall be removed by the owner upon written notice of the Zoning Officer, forthwith in the case of the immediate danger and in any case within not more than thirty (30) days following said notice:

1. Any sign which is in a state of serious disrepair or is no longer functional;
2. An obsolete sign that advertises an activity, business, product or service no longer conducted on the premises on which the sign is located, or any other sign which has been abandoned;
3. Any sign which is in violation of the provisions of Subsection 10.01B, 10.01C;
4. Any sign which swings or otherwise noticeably moves as a result of wind pressure because of the manner of their suspension or attachment;
5. Any portable sign that is not permanently anchored or secured to either a building or the ground;
6. Any sign that becomes insecure, in danger of falling, or otherwise unsafe; or any sign unlawfully installed, erected or maintained.

If within thirty (30) days said order is not complied with, the Development Director may cause such sign to be removed at the expense of the owner.

B. No sign shall closely resemble or approximate the shape, form and color of any official traffic sign, signal or device. No sign shall be erected at any location where it may, by reason of its size, location, content, coloring or manner of illumination, constitute a traffic hazard or a detriment to traffic safety by obstructing the vision of motorists, by detracting from the visibility of any traffic control device. No rotating beacon, beam or flashing illumination resembling an emergency light shall be used in connection with any sign or be visible for any adjacent street. Lights resembling an emergency light or such words as "Stop", "Look", "Danger" or any other words, phrases, symbols or characters, which in any manner interfere with, mislead or confuse traffic shall not be used in connection with any sign.

C. No sign other than an official traffic, street, or related sign approved for placement by the County Engineer or other public officer in the performance of his public duty, shall be placed on or over any street or public property.

- D. Off-site signs are prohibited in all districts except as specifically permitted in this Article; provided however, such signs may be permitted by the *Board of Adjustment* when unusual or compelling circumstances may require.
- E. Two (2) or more signs may be mounted on the same sign standard or structure provided that the combined surface areas of such signs shall not exceed the maximum area permitted for a single sign, except as specifically permitted in this Article.
- F. Illuminated signs shall not be of an intermittent flashing type.
- G. Signs which are displayed inside or upon a window facing the outside and which are intended to be seen from the exterior shall be permitted subject to the same conditions and restrictions as wall signs.
- H. These regulations shall not apply to any sign that is visible only from the premises upon which it is erected, such as on walls of courts or malls in shopping centers.
- I. These regulations shall not apply to signs which are accessory to the use of any kind of operable vehicle, provided the sign is painted or attached directly to the body of the vehicle.

10.02 Signs Permitted in All Districts

Signs hereinafter designated shall be permitted in all zoning districts:

- A. The following temporary signs shall be permitted:
 - 1. One (1) non-illuminated sign not to exceed fifty (50) square feet in area shall be permitted per lot frontage to advertise the sale, rental or lease of the premises or part of the premises on which the sign is displayed. Such sign shall not extend higher than eight (8) feet above grade level nor closer than fifteen (15) feet to any property line unless mounted flat against the wall of the building. Such sign shall be removed within seven (7) days after the disposition of the premises.
 - 2. One (1) non-illuminated sign not to exceed fifty (50) square feet in area shall be permitted per lot frontage to identify the architects, engineers, contractors, or other individuals involved in construction of the building on the premises on which the sign is displayed. Such sign may also announce the character of the building enterprise or the purpose for which the building is intended, but shall not include product advertising. Such sign shall not extend higher than eight (8) feet above grade level, nor closer than fifteen (15) feet to any property line unless mounted flat against the wall of the building or on a protective barricade surrounding the construction. Such sign shall be removed within seven (7) days following completion of construction.
 - 3. One (1) non-illuminated sign not to exceed fifty (50) square feet in area shall be permitted at the entrance to a recorded subdivision to identify and/or provide

information regarding such subdivision. One additional such sign shall be permitted at an auxiliary entrance provided such auxiliary entrance fronts on a separate street from the main entrance. Such sign shall not extend higher than eight (8) feet above grade level, nor closer than fifteen (15) feet to any property line. Such sign shall be removed upon completion of the sale of ninety (90) percent of the lots located within the subdivision.

4. One (1) non-illuminated sign not to exceed nine (9) square feet in area shall be permitted for each dwelling which is used for display or as a model home. Such sign shall not extend higher than four (4) feet above grade level and shall only be located within the front yard of the lot containing such dwelling. Such sign shall be removed when a display or model home is no longer so used.
 5. Political campaign signs shall be permitted to announce candidates seeking public political office or pertinent political issues. Such signs shall not be erected earlier than forty-five (45) days prior to the date balloting takes place for the candidates or issues indicated on the sign, and shall be removed no later than seven (7) days after said balloting date.
 6. Seasonal decorations shall be permitted when pertaining to recognized national holidays and national observances.
 7. Signs which contain or consist of banners, balloons, pennants, ribbons, streamers, spinners or other similarly moving devices shall be permitted on the premises of an establishment having a grand opening or other special event.
- B. One (1) non-illuminated sign not to exceed fifty (50) square feet in area shall be permitted at the entrance to a recorded subdivision. Such sign shall be of ornamental metal, stone, masonry, wood or other permanent material and shall indicate only the name of such subdivision.
